General Business and Rental Terms

1. Rental Price and Rental Time

Rental prices are fixed in accordance with the rental price index known to lessee which is in effect when the rental agreement is concluded, unless the parties have agreed upon a special lump-sum price in writing. Lessor may request a safety deposit or advance payment on account of the rent. The rent starts running at the agreed upon pick-up time and ends on return of all rental items to lessor. The place for pick-up and return of rental items is the place of business of the lessor. Pick-up and return times must be agreed with the lessor. The minimum rental term is 1 day (no returns on Sundays). If a rental agreement is cancelled less than 30 days prior to the starting time of the rent, the lessee must pay 50% of the rental time ordered. The rent (after deduction of any safety deposits and/or advance pay-ments) is payable at the latest 10 days after the date of issue of the invoice. In case of de-fault, penalty interest shall be due.

2. Ownership Rights

Lessor is and remains the owner of all rental items. It is forbidden to cover or remove the owner's name tags or logos from rental items.

3. Damage and Liability

Lessee is fully liable for all rental items throughout the entire period of the rent. Upon pick-up, lessee must inspect all rental items for damages; rental items are deemed to have been received in perfect condition if no damages are recorded in the rental agreement in writing. Lessee is fully liable for any damage which is due to mistakes in using or handling rented items. All repairs which may become necessary during the term of the rent or as a result thereof are charged to the lessee, unless lessee can prove that the repairs and/or re-placements of rental items were not caused by lessee's negligence and/or mishandling of rental items. All rental items are not insured.

4. Place of Jurisdiction and Applicable Law

Place of jurisdiction is Zurich. The applicable law is Swiss law, excluding any conflict of law rules.

Allgemeine Geschäfts- und Mietbedingungen

1. Mietpreis und Mietzeit

Die Mietpreise richten sich nach der bei Vertragsabschluss gültigen, dem Mieter bekannten Mietpreislite, resp. nach dem schriftlich vereinbarten Pauschalpreis. Es kann vom Vermieter eine Depotgebühr oder eine Vorauszahlung verlangt werden. Die Mietzeit beginnt mit der vereinbarten Abholzeit und endet mit der vollständigen Rückgabe der Mietobjekte. Abhol- und Rückgabeort sind Sitz des Vermieters, soweit nicht anders vereinbart. Abhol- und Rückgabetermine müssen mit dem Vermieter vereinbart werden. Die Mindestmietdauer beträgt bei Kameras und Zubehör 1 Tag (an Sonntagen keine Rückgabe). Wird ein Mietvertrag weniger als 30 Tage vor Mietbeginn rückgängig gemacht, werden dem Mieter 50% der bestellten Mietzeit verrechnet. Die Mietgebühr (abzüglich Depotgebühr/Akontozahlung) wird spätestens 10 Tage nach Rechnungsstellung fällig. Bei Verzug kann ein Verzugszins gefordert werden.

2. Eigentum

Der Vermieter behält an allen Mietobjekten überall und jederzeit alle Eigentumsrechte. Das Überdecken oder Entfernen von Firmen-Schriftzügen an den Mietobjekten ist strikte untersagt.

3. Schäden und Haftung

Der Mieter übernimmt während der ganzen Mietzeit die uneingeschränkte Haftung aller Mietobjekte. Bei Übernahme sind alle Mietobjekte auf Mängel zu prüfen; sie gelten als in einwandfreiem Zustand, wenn nicht Mängel bei der Übernahme schriftlich auf dem Mietvertrag festgehalten sind. Der Mieter haftet vollumfänglich für alle Schäden, die durch unsachgemässe Bedienung oder Behandlung der Mietobjekte entstehen. Alle während der Mietzeit anfallenden oder darauf zurückgehenden Reparaturen gehen zu Lasten des Mieters, sofern dieser nicht beweist, dass die Reparatur und/oder der Ersatz der Mietobjekte weder auf Fahrlässigkeit noch auf unsachgemässe Behandlung seinerseits zurückgeht. Alle Mietobjekte sind nicht versichert.

4. Gerichtsstand und anwendbares Recht

Gerichtsstand ist Zürich, es gilt schweizerisches Recht unter Ausschluss der schweizerischer Kollisionsnormen.
